CODE	DESCRIPTION
MON-DMEVR100	Continuous running fan 100mm
MON-DMEVR125	Continuous running fan 125mm
MON-DMEVR100HT	Continuous running fan 100mm with humidistat
MON-DMEVR125HT	Continuous running fan 125mm with humidistat

The Monsoon dMEV R range of continuous mechanical extract ventilation fans, incorporate a high-pressure axial impeller, which offers near silent operation, as low as 11dB(A).

Designed to comply with the latest UK Building Regulations Part F & L and to be a perfect fit within kitchens, utility rooms and bathrooms. The Monsoon dMEV R is designed with an IPX5 rating, ensuring its suitability for installation in Zone 1, 2, and 3.

The inclusion of a silent mixed flow impeller allows the Monsoon dMEV R to meet the ventilation requirements of various domestic installations without the need for a traditional centrifugal fan.

Fan technical data

MODEL	SPEED	DB(A)
100	Min	7.4
	Max	34.3
125	Min	8.5
	Max	37.9

Performance

- 1 100mm dMEV R Max Speed
- 2 125mm dMEV R Max Speed

Dimensions (mm)

MODEL	A	B	CØ	D
